JYSK A/S
Sødalsparken 18 · 8220 Brabrand

Dear Sir,

We are very indignant and angry to have learnt that Colleague Tomasz Jamrozik, who is NSZZ "Solidarność" TU Leader in Jysk Poland Ltd. and the member of UNI affiliate NSZZ "Solidarność" Commerce in Poland is going to be dismissed, for his union activities. Such practices are absolutely unacceptable in Europe and they are against European labour standards. We demand that he stays in his workplace and we demand respect for Unions' rights and compliance with law by Jysk.

We express our solidarity with Colleague Tomasz Jamrozik and with other Unionists who are fighting for unionists and workers' rights in Jysk. We see the problem in Poland where Jysk use hostile policies towards unions, against NSZZ "Solidarity" Union and avoids real social dialogue. We don't want the workers to be only the tool to make the profit. The employer should observe polish law and European standards which means also respecting workers and unionists' rights.

We demand to withdraw the dismissal of Tomasz Jamrozik. We want Colleague Tomasz Jamrozik to stay at work in Jysk Poland.
